"BLACK X WHITE"

Monday, February 1, 2021 to Sunday, February 28, 2021

Our first group show of 2021 is setting an accent on the non-color, the monochrome. With a minimalist approach in the foreground, we present new works of our artists, who are not only dealing with the idea of non-color, but are also touching related social themes revolving around the „Black & White“ and „Black Lives Matter“ movement.

The complexity of the subject, deep rooted personal beliefs, historical facts as well as the many events during the last years - all these were impulses for creativity, giving birth to different, yet strong artistic approaches.

Not having the target of going into a deep examination of the above mentioned themes, our show has a single, overall statement: We Are All Equal.

BLACK X WHITE

Our first group show of 2021 is setting an accent on the non-color, the monochrome. With a minimalist approach in the foreground, we present new works of our artists, who are not only dealing with the idea of non-color and minimalism, but are also touching related social themes revolving around the „Black & White“ and „Black Lives Matter“ movement.

The complexity of the subject, deep rooted personal beliefs, historical facts as well as many events during the last years – all were impulses for creativity, giving birth to different, yet strong artistic approaches.

Not having the target of going into a deep examination of the above mentioned themes, our show has a single, overall statement: We Are All Equal.
